Dear Trevor,

Re: Company Barbeque – 3rd May 2007

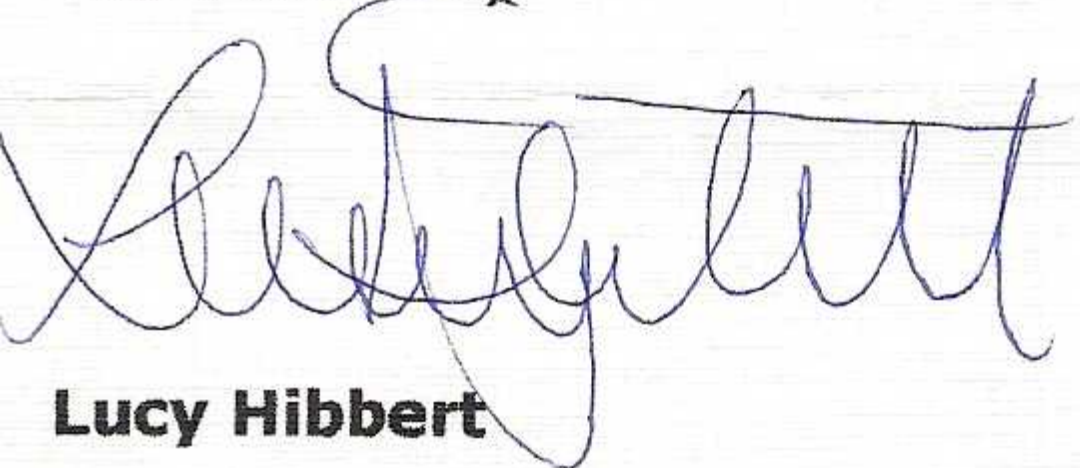

I just wanted to thank you and your team for all of your hard work to make our cricket day the roaring success that it was.

We have received a number of letters thanking us for the hospitality all of which mentioned the fantastic food and steel band.

I also wanted to thank you for guiding me through and your reassurance along the way, and of course for your suggestions with regard to Trinidadian themed birthday presents and your assistance in organising the beautiful birthday cake for our Managing Director.

Thanks again from all of us here, hopefully you will agree to cater the rematch next year!

Yours sincerely

Lucy Hibbert
