Dear Trevor

I am writing to thank you for making our ,Caribbean Party, such a success. Not only did you provide delicious food , which every one raved about, but you offered to do and did the welcome rum punch.

I doubt many catering company's give so many extras! The C.D.s were excellent your suggestions for decorating the tables great and you even supplied the Limbo set and got everyone enjoying that. You worked with the steel band to get them on board and kept them to our schedule.

It seemed nothing was too much trouble- I could go on. What I do know is that you took a load off my shoulders. which enabled me to relax and enjoy our party.

It has been a pleasure to work with you and I cannot thank you enough. I would not hesitate to recommend Sunshine Catering to all.

On a more practical note I have posted your plates etc to you today.

Kind regards
